Bay City Taxi & Errand Service

Aloha,

My name is Patti and I am the owner of Bay City Taxi and Errand Services. I created this business for the people in our community that needed the help the most such as our elderly population and individuals with disabilities. I have been a personal assistant for 5 years and I know how hard it is for these people to get from place to place such as doctor's appointments, dentist appointments, kidney dialysis appointments, or just to go to the grocery store.

I know a lot of times people have to wait for hours for a ride or they just cannot find a ride at all. That is where I come in. I am here to help out with this problem. You can set up a regular schedule with me if you have a weekly doctor's appointment or on a certain day you would like to go grocery shopping. I am very flexible and willing to work with you to make a comfortable schedule that works for you.

***You can trust Bay City Taxi & Errand Service to handle your errands, personal shopping, and house-sitting related tasks with professionalism and thoroughness. ***
